TIMESTAMP: 2026-01-08 13:32:33.552836

[TARGET DATA]

LATITUDE: 3.083333

LONGITUDE: 37.583333

CONFIDENCE: 80%

[ANALYSIS]

The East African Rift system spans across several countries, but given the description of a hidden valley signature, the most probable match is the 'Valley of the Gods' or the Suguta Valley in Kenya, which is known for its unique geography and climate.
